AND SUSANNA LOEB

What Makes an Effective Principal?
The Characteristics and Skills of Quality School Leaders

Tara Beteille
Stanford University

Demetra Kalogrides
Stanford University

Susanna Loeb
Stanford University

The authors are grateful to the Miami-Dade County Public Schools for the data used in this paper and for help in understanding the district, and appreciate financial support from the Joyce Foundation, the Spencer Foundation and the Stanford University K-12 Initiative. The authors are also grateful for support from the National Center for Analysis of Longitudinal Data in Education Research (CALDER), supported by Grant R305A060018 to the Urban Institute from the Institute of Education Sciences, U.S. Department of Education.

CALDER working papers have not gone through final formal review and should be cited as working papers. They are intended to encourage discussion and suggestions for revision before final publication.

The Urban Institute is a nonprofit, nonpartisan policy research and educational organization that examines the social, economic, and governance problems facing the nation. The views expressed are those of the authors and should not be attributed to the Urban Institute, its trustees, or any of the funders. Any errors are attributable to the authors.
